Bell MTS

Current as of July 1, 2022. Available to new and current residential customers with an account in good standing in Manitoba, where access/technology permit. **Fibe Internet:** Modem rental included. A wired connection and at least one additional wired or wireless connection are required to obtain total download speed. Maximum upload speed can only be obtained on a wired connection. Speed experienced on the Internet may vary with your technical configuration, Internet traffic, server, your environment, simultaneous use of IPTV (if applicable) and other factors. **Fibe TV:** Receivers are rented and may be new or refurbished at Bell MTS's choice. Bell MTS 4K TV Service only available on one TV per household. **Home phone:** Available to residential customers in Manitoba, where access and technology permit. The Home Phone Essentials Plan is comprised of two components: a Residential Voice and Feature Bundle Lite and the Home Phone Essentials Long Distance plan. If you cancel or become ineligible for Home Phone Essentials within the first 90 days, you will be responsible for paying installation charges of \$72 (includes Line Connection, Premise Visit, Premise Connection, and First Phone Jack). Additional jack installation fee of \$40 per jack. In order to be eligible for the Home Phone Essentials Long Distance Plan, you must subscribe to (or have a pending order for) Bell MTS TV or Bell MTS High Speed Internet. If you cancel your qualifying service, your long distance plan will change from the Home Phone Essentials Long Distance Plan to the First Rate™ Nickel Anytime Long Distance plan, which has a monthly \$4.95 Network Charge. The Home Phone Essentials Long Distance plan's 5c a minute long distance rate is available anytime on direct-dialed voice calls within Canada and to the U.S. (including Alaska and Hawaii) and does not include Calling Card, Internet or data long distance minutes. Subject to change without notice; not combinable with other offers. Taxes extra. (1) The Fibe TV app is available with compatible devices. Usage charges may apply if viewing without an unlimited plan. Download & Go is available on smartphones and tablets for select on demand add-on content and recordings if your TV service includes PVR features on the app. When included, recordings are available for maximum 60 days on the Fibe TV app. Select content may be unavailable on the app, including in-home or out of home, or when viewing with a third-party Internet connection. Content subject to change without notice and blackout periods may apply. Viewing live content on your TV screen with a Bell Streamer, Google Chromecast™, Apple TV (4th gen. or 4K box), AirPlay, Amazon Fire TV (basic edition or higher) or Android TV (Google-certified) is only available in-home and requires eligible Bell Internet. (2) A separate subscription to Netflix, Prime Video and Crave services is required to view content. Access to YouTube and Prime Video available on TV connected to 4K PVR only. (3) Pricing is based on continued subscription to: Gigabit Fibe Internet and a Whole Home Wi-Fi pod rental, Fibe TV Good package, 4k Whole Home PVR and 1 wired set-top box rental and Home Phone Essentials at \$125/mo. (\$213.90/mo., less \$88.90 credit for 24 months); current price: \$213.90/mo.. Additional Wi-Fi pod rental available on a single basis, up to a maximum of 14 pods per account.
