**Bell**MTS

Current as of January 15, 2021. Available to new and current residential customers with an account in good standing in Manitoba, where access/technology permit. Subject to change without notice; not combinable with other offers. Taxes extra. (1) Pricing is based on continued subscription to: Fibe TV Good package, Gigabit Fibe Internet and Home Phone Essentials at \$209.90/mo., less \$84.90 credit for 24 months. Price includes rental of 4k Whole Home PVR, 1 wired set-top box and 6-pack of Whole Home Wi-Fi pods. Any change made to services may affect the price and/or result in the loss of credits or promotions, as the case may be, as eligibility conditions may vary. Except as otherwise stated, your bundle discount will not be applied during any promotion or combined with other offers. Any portion of the Bell MTS Bundle Program may be modified, discontinued or terminated at any time. (2) Prepaid card will be mailed out after service has been installed and active for 60 days if the account is in good standing. (3) Total download speed up to 940 Mbps. Upload speed up to 940 Mbps. A wired connection and at least one additional wired or wireless connection are required to obtain total download speed. Maximum upload speed can only be obtained on a wired connection. Speed experienced on the Internet may vary with your technical configuration, Internet traffic, server, your environment, simultaneous use of IPTV (if applicable) and other factors. Modem rental included. Additional Wi-Fi pod rental available on a single basis, up to a maximum of 6 additional pods per account. Pods may be new or refurbished at Bell MTS's choice. (4) 4K picture quality requires 4K TV, 4K programming, wired set-top box plus 4K service and a subscription to Fibe 50 or faster Internet with Bell MTS. Availability of 4K content is subject to content availability and device capabilities (4K TV). Bell MTS 4K TV Service only available on one TV per household. (5) Each TV requires a set-top box to access the service. Receivers are rented and may be new or refurbished at Bell MTS's choice. (6) Home Phone Essentials: Available to residential customers in Manitoba, where access and technology permit. The Home Phone Essentials Plan is comprised of two components: a Residential Voice and Feature Bundle Lite and the Home Phone Essentials Long Distance plan. If you cancel or become ineligible for Home Phone Essentials within the first 90 days, you will be responsible for paying installation charges of \$72 (includes Line Connection, Premise Visit, Premise Connection, and First Phone Jack). Additional jack installation fee of \$40 per jack. In order to be eligible for the Home Phone Essentials Long Distance Plan, you must subscribe to (or have a pending order for) Bell MTS TV or Bell MTS High Speed Internet. If you cancel your qualifying service, your long distance plan will change from the Home Phone Essentials Long Distance Plan to the First Rate™ Nickel Anytime Long Distance plan, which has a monthly \$4.95 Network Charge. The Home Phone Essentials Long Distance plan's 5c a minute long distance rate is available anytime on direct-dialed voice calls within Canada and to the U.S. (including Alaska and Hawaii) and does not include Calling Card, Internet or data long distance minutes. The BELL MTS and FIBE trademarks are owned by Bell Canada. All other trademarks are owned or used under license by Bell Canada or one of its subsidiaries.
